 - a. Who reserves the facility?
 - b. Can the speaker get the facility?
8. What time is to check out?
9. What does the speaker talk about?
10. What does the speaker suggest to do?

Vocabularies:

go through	athlete	pharmaceutical	steak
check-out line	powder	chipped	strip
reserve	aisle	ham	

CHAPTER II SINGLE EXCHANGE

General Information

What people say, or actual utterances, may take the forms of affirmative, interrogative, or imperative sentences. They convey certain meaning. The meaning can be influenced by the speaker's purpose, situation, and contextual setting.

Examples:

1. 'Can I help you?' (interrogative sentence) → Offering help
2. 'Can you help me?' (interrogative sentence) → Asking for help
3. 'My son needs school fee, but I'm short of cash.' → Giving information
4. 'I want to come home, but I'm short of cash.' → Asking for a loan.

Examples 1 and 2 have the same form, which are **interrogative sentences**. However, they convey different meaning; the first conveys 'offering help', while the second conveys 'asking for help'.

Examples 3 and 4 have the same form, which are **affirmative sentences**. However, they convey different meanings; the third conveys 'giving information', while the fourth conveys 'asking for a loan'.

15. What is the woman probably going to do?
 - A. Pay the rent for half a month
 - B. Help the man move
 - C. Stay where she is living until the 15th
 - D. Move out of the apartment
16. What had the man assumed about Marry Anne?
 - A. She had already taken the test
 - B. She did not want to take classes
 - C. She had not taken the placement test
 - D. She would take the math classes later
17. What does the man mean?
 - A. The plan is to remain in the class
 - B. It is not comfortable in the classroom
 - C. He has been absent because he was sick
 - D. The weather has been very bad

9. What does the woman suggest Anna do?
- Stop worrying
 - Go out more
 - Talk to a friend
 - Get counseling
10. What does the man mean?
- He prefers to talk another time
 - He wants the woman to go away
 - He would like the woman to continue
 - He doesn't know what to think
11. What will the man probably do?
- Accept the woman's apology
 - Allow the woman to go ahead of him
 - Apologize the woman
 - Go to the front of the line
12. What does the woman imply?
- The neighbours have parties often
 - She does not like her neighbours
 - The neighbours' party is disturbing her
 - She will not be invited to the neighbours' party
13. What had the man assumed?
- Dr. Franklin is not very understanding
 - The extension was a very bad idea
 - He is surprised that the woman was denied her request
 - The professor does not have a policy
14. What problem do the man and woman have?
- They do not have a telephone
 - They are late
 - They have been left
 - They got lost

The followings are some meanings of utterances:

No.	Meaning of utterances
1.	Asking for apology (apologizing)
2.	Giving apology
